

Grant Funding 2012/13

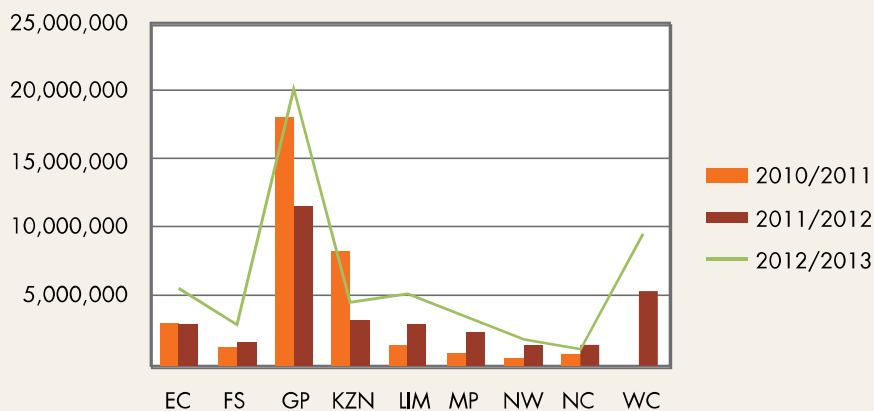

As in previous years, through a ring-fenced funding allocation from the DAC, the NAC provided funding to three orchestras as follows:

Orchestra	Amount	Province
KZN Philharmonic Orchestra	5,645,000	Kwa-Zulu Natal
Cape Town Jazz Orchestra	5,645,000	Western Cape
Cape Philharmonic Orchestra	5,645,000	Western Cape
TOTAL	16,935,000	

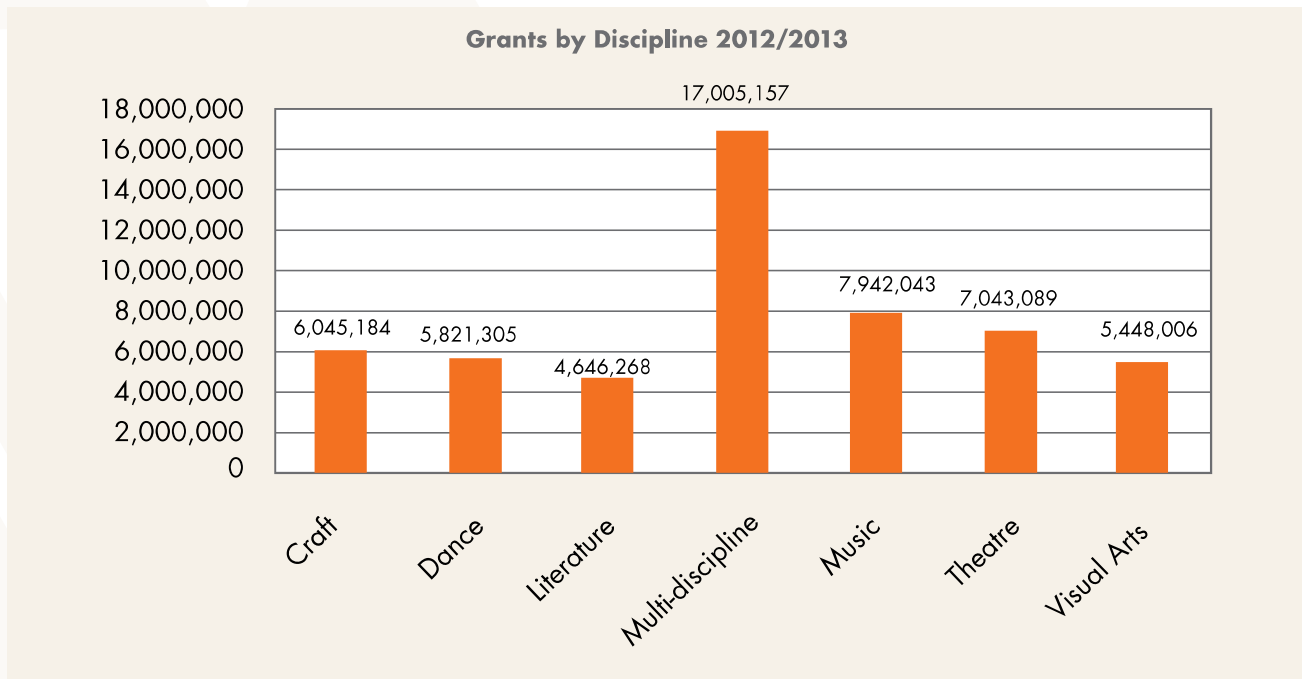

Provincially, as highlighted in the figure below, the Gauteng continues to receive the largest funding allocation; however the distribution for 2012/2013 shows far greater funding of artists and organisations from provinces such as Limpopo, the Free State, Eastern Cape and Mpumalanga than in previous years:

Comparison of Grant Amounts by Province 2010 - 2012

Note: Graph excludes orchestra funding.

By discipline, as outlined in the figure below, multidisciplinary projects received the bulk of funds in 2011/2012, followed by music, theatre and dance.

Note: Graph excludes orchestra funding.

The sections below provide a detailed list of all beneficiaries, listing the name of the organisation or individual, the amount awarded, the discipline and province.
